

Biography

Isabel Harkins

I was born in Chile, and lived all over South America. I Went to the Universidad de Chile, graduated in interior design, majoring in art. I received a scholarship to study art in Verona Italy. My life was always involved in art one way or another. When I moved to the USA, I was lucky enough to have had a mentoring in makeup by Way Bandy. I have worked on many celebrity faces: Barbra Streisand, Penelope Cruz, Claire Danes, Sandra Bullock, Sara Jessica Parker, Lady Gaga, Patricia Arquette, and Naomi Campbell just to name a few. I have worked in Theater, Photo shoots, Commercials, Television, and Film, with many entertainment industry awards. I love to make people feel great about themselves and aiding them to get there.

Love That!
